With Grateful Prayers from the People of Myanmar

Yangon 10 April 2021

Dear Your Eminence Cardinal DOMINIK Duka,

Peace and Blessings of the Risen Lord.

On behalf of the Catholic Bishops' Conference of Myanmar (CBCM) and the people of Myanmar, we deeply appreciate Your Eminence's strong support and sympathetic heart, and especially prayers for freedom for peace and reconciliation in Myanmar. Our people have gone through a Lent made so sad and shattered through their suffering. Amidst this journey through the dark tunnel of tears and sorrow, the accompaniment of Universal Church and the words of comfort from churches like yours reminds us of our Lord's accompaniment of the disciples of Emmaus. You break your word of consolation with our people. Our Holy Father, Pope Francis has consistently accompanied us with his words of consolation and comfort.

In the spirit of Resurrection, we seek a new Myanmar of hope, peace and reconciliation. We are indebted to you for your continued prayers for peaceful reconciliation of all issues and our people may live in dignity and freedom.

About ten years ago I had the chance of making a visit to Praha, where I managed to find out and prayed in the Shrine of Infant Jesus of Prague. Here in Southeast Asia and especially in Myanmar, our Catholics are very fond of devotion and love for Infant Jesus of Prague.

Please do convey my warm greetings to my fellow brother, Your Auxiliary Bishop Karel Herbst, SDB.

Commending our people to your prayers and offerings,

With my deep appreciation,

+ Charles
